**STAFF'S FIRST SET OF DATA REQUESTS FOR  
INFONE LLC  
DOCKET NO. T-04090A-07-0047**

Please make certain that each numbered item and each part of the item is answered completely. In order for Staff to continue with its review of this application, the following information must be submitted:

1. Please provide the reason(s) for the proposed discontinuance of services or abandonment of service areas.

**RESPONSE:** Infone, LLC ("Infone" or "the Company") ceased all regulated operations in Arizona and elsewhere in December 2005. Infone offered directory assistance, call completion, and enhanced directory services on a casual calling basis only, and had no presubscribed customers. Infone's parent company decided to discontinue the line of business because it was not profitable. As stated in the cover letter accompanying this filing, no customers were affected since Infone did not offer presubscribed long distance service.

2. Please provide a copy of the legal notice of the application to cancel telecommunications services in all counties affected by the application. Counties affected are those counties where the applicant is certified to provide telecommunications services. Refer to the Arizona Administrative Code ("A.A.C") R14-2-1107.

**RESPONSE:** No counties were affected. As stated in the cover letter accompanying this filing, Infone did not offer presubscribed services. No Arizona end user's long distance service was affected by the exit of Infone from the enhanced directory services market.

3. Does Infone currently have any customers in Arizona? If so, please indicate if the customers were notified of the applicant's discontinuance of services.

**RESPONSE:** As stated in the cover letter accompanying this filing, Infone ceased all operations in December 2005, had no presubscribed customers, and therefore no customer notice was issued.

4. Please provide a copy of the customer notification sent, if applicable, and indicate the date the notice was sent. If no notice was sent please explain why.

**RESPONSE:** As stated in the cover letter accompanying this filing, no customer notice was sent as Infone did not offer any presubscribed services.

Technologies Management, Inc.

5. Please state whether Infone has ever collected advances, deposits, and/or prepayments. If so, please provide the amount of the advances, deposits, and/or prepayments that have been returned to customers in Arizona whose services are being discontinued. Indicate the outstanding amount of advances, deposits, and/or prepayments held by the company from Arizona customers.

**RESPONSE: Infone did not collect any advances, deposits, or prepayments.**

6. If applicable, indicate a plan for the refund of deposits collected pursuant to subsection A.C.C. R14-2-503 (B).

**RESPONSE: Not applicable.**

7. Was a list of all alternative carriers providing the same or similar service within the affected geographic area provided to the customers whose service was being discontinued or abandoned? If a list was not provided, please explain.

**RESPONSE: As stated in the cover letter with this filing, and in its application for certification, the Commission staff's recommendation and its order, Infone did not offer presubscribed services. Its services were available on a casual calling basis only, and hence no notification of this type would be possible.**

8. Please indicate if the Infone's performance bond, if applicable, is valid. Indicate the total amount of the bond.

**RESPONSE: The Commission staff's recommendation issued in connection with Infone's application for certification did not recommend a bond, and the Commission did not require a bond in its order. Therefore, Infone does not have a bond on file.**

9. Please indicate the number of residential and business customers Infone provided service in Arizona. Also, provide a breakdown of the number of customers receiving telecommunications services by type of service. How many of Infone's customers in Arizona receive resold long distance services?

**RESPONSE: As stated in the cover letter with this filing, Infone did not have presubscribed customers.**

Respondent: Robin Norton, Consultant to Infone LLC  
Technologies Management, Inc.  
210 North Park Avenue  
Winter Park, FL 32789

10. Please indicate if there are any affiliates of the Applicant currently offering telecommunications services in Arizona. If yes, are the telecommunications services provided by the Applicant similar to those offered by the Applicant's affiliates?

**RESPONSE: No.**

11. Please indicate if customers have been transferred to other telecommunications carriers. Indicate the telecommunications carriers the customers were transferred to and the number of customers in Arizona transferred to each carrier.

**RESPONSE: Not applicable. As stated in the cover letter to this filing, Infone did not have presubscribed customers.**

12. Please indicate the state(s) the Applicant currently operates in to provide telecommunications services to customers in Arizona.

**RESPONSE: The Company does not understand the nature of this question. Infone ceased providing service in December 2005.**

13. Does the Applicant have any employees in Arizona? If so, please list the number of employees by type of category (i.e. management, technical, and customer service).

**RESPONSE: No.**

14. Does the Applicant have any facilities in Arizona? If so, please list the number of facilities, a description of each facility, and the location of each facility.

**RESPONSE: Infone is certificated in Arizona as a long distance reseller; it does not have facilities-based authority, and does not have facilities in Arizona.**

15. Did the Applicant have any service contracts with customers? If so, please describe how the service contracts were honored or terminated with the customers.

**RESPONSE: No.**
